

Product Safety Recall

Whistle Women's Spectacles

Whistle Ester Blue Light spectacles, article 6723661

Whistle Niara Blue Light spectacles, article 6723810

Whistle Jamie Blue Light spectacles, article 6723812

Sold at Farmers stores and online between 9th September 2022 – February 23rd 2023

Defect: This recall is due to the products being fitted with the incorrect lens due to an error during production. The spectacles do not contain blue light filtration lens as claimed.

Hazard: As the spectacles do not contain the blue light lens they do not provide the protection to the eyes as claimed.

What to do: Consumers should immediately stop using the product and return it to their nearest Farmers store for a refund.
